	crimson and red-bordered black epaulets and carrying baggage were trucked to the upper railroad station in Plauen and went to Gera aboard an express train. They had been accompanied to the station by a number of troops who stayed in Plauen. Little training was observed in the installation between 20 and 29 October. Activities observed included maintenance work, filling of straw matresses and, daily between 9 p.m. and 10:30 p.m., march practice.  a shed was occupied by recruits. Trucks were seen en route to and from the	
	installation.	25
2.	Beginning on 19 October, the Koenig-Georg Kaserne was occupied by about 350 troops. A one-story wooden building on brick foundation, about 20 meters long, 4.5 meters wide and about 4.5 meters high, was under construction in the north section of the barracks installation. Between 20 and 29 October, did not observe any training activity. A number of troops were seen cleaning 4 x 76-mm AT guns.	25
